

Port of Tillamook Bay announces an opening for a Accounting Specialist. Duties include processing payables and receivables into Sage Accounting Software. Other responsibilities include: administrative assistance and reception. The ideal candidate would have the right job fit: the ability to pick up new duties quickly, make proper decisions in a demanding environment, energetic with the social skills to communicate with team members/public with tact, and the interest in financial matters as well as the welfare of customers. Starting salary of \$15.00 DOE per hour including a robust benefit package. If interested, go to www.potb.org and fill out application. Please send resume with application to info@potb.org or fax to 503-842-3680.
